

Part One - Form 9 of the Resource Management Act

Application for Resource Consent under section 88 of the Resource Management Act 1991.

To: Environment Southland
Private Bag 90116
INVERCARGILL 9840

We: Southland District Council (District Assets)
15 Forth Street
INVERCARGILL 9840

Apply for the following resource consents for a term of 35 years:

- A discharge permit to discharge of treated wastewater onto land (up to a maximum rate of 4,500 m³ per day) from the Te Anau Wastewater Treatment Plant, in accordance with Rule 5.2.1 of the Regional Effluent Land Application Plan;
- A discharge permit to discharge odour to air associated with the discharge of treated wastewater to land in accordance with Rule 5.5.3 of the Regional Air Quality Plan;

1 The name and address of the owner and occupier of the land to which this application relates is:
Southland District Council, 15 Forth Street, Invercargill

2 The location of the discharges is:

An area of land within Kepler Farm situated immediately to the north of the Te Anau airport runway. The area of land is located approximately 5 km north of Manapouri township and approximately 500 metres east of the Manapouri Te Anau Highway (SH95).

Grid Reference: NZMS 260 - D43: 2092645E 5506325N.

Legal Description: Lot 2 DP 410687.

3 A description of the activities to which this application relates is:

Discharge of treated wastewater onto land by spray irrigation using centre pivot irrigators. For the period 1 September to 30 April the average rate of discharge will be 3,000 m³ per day and the maximum rate 4,500 m³ per day. For the period 1 May to 30 August the average rate of discharge will be 1,350 m³ per day with a maximum rate 2,000 m³ per day.

Discharge of odour to air as a result of the discharge of treated wastewater to land.

Please refer to Section 2 of the supporting information.

4 No additional resource consents are required in relation to this proposal.

The site lies within an area to be designated for public utility purposes in the Proposed Southland District Plan 2012.

5 Attached in accordance with the Fourth Schedule of the Resource Management Act 1991 is an assessment of effects on the environment in the detail that corresponds with the scale and significance of the effects that the proposed activity may have on the environment in accordance with section 88 of, and the Fourth Schedule to, the Act.

Refer Section 7 of the supporting information.
